

SKILLS4NURSES

WE NOW HAVE JOBS ON OFFER IN AUSTRALIA & UK

Our doors are open to ALL specialties within the healthcare profession with FREE entry.

Our exhibitors are looking to recruit throughout the healthcare sector. This is a great opportunity to meet and talk to hospitals, NHS trusts, private healthcare organisations, nursing homes, armed forces and more face-to-face and get an insight into their organisation and see what jobs they have on offer.

Last years event in February had over 450 attendees and with interviews being held on the day this resulted in many vacancies being filled at our event so don't miss this exciting opportunity to achieve a new position or obtain your first job either HOME or AWAY.

Skills4Nurses are holding its Jobs Fair in Glasgow at the Grand Central Hotel as this is an ideal location for travelling to and from the city with the hotel itself being based within Central Station terminal.

Who should attend

The S4N Jobs Fair is now open to all healthcare professionals including: nurses in all specialties, doctors, midwives, healthcare assistants, allied healthcare and **ALL final year students** within the healthcare sector.

Whatever your grade or experience you may, or may not have, if you are looking to advance your career, relocate or looking for your first job when you qualify then this is an ideal opportunity to come and have an informal chat to our exhibitors.

We have jobs across many grades and specialties so do not miss this excellent opportunity to come and see what's available within the healthcare profession.

Pre-registration: Please make sure you pre-register in advance by emailing shona@gmexpos.com

Please make all your work colleagues and fellow students aware of the event and bring as many along with you as possible as there will be many opportunities on offer.
